Jolene Tse. A starlight, and gentle, loving presence.. offering and anchoring within the health and wellness industry for over 20years... a divine essence within the presence of be-ing. Acutonics and Fibonacci/Phi Sound facilitator, Sound/Light and Energetics facilitator, RMT, Universal Language of Light Facilitator are a few of the many healing and transformational modalities within her toolbox! In service to assist gaia and hu-manity in the greatest transformation in universal evolution within and without! [www.illuminousvibrations.com](http://www.illuminousvibrations.com)

Trevor is an old soul with an awakened heart presence. He offers extensions of divine light and love through the voices of various didgeridoos, native flutes and other percussion instruments, transmitting frequencies from within and beyond! His repertoire also includes native voice (throat singing and light language,) as well as other ambient and drone sounds. His infinite Love and support of the Beloved Community expands beyond and into the offerings of Qigong(Chee-gong) and an, evolutionary financial service practice. Working to support the community in a more holistic, ethical, and sustainable way than has ever been done by the traditional industry. Helping evolve the industry to a more love based version of itself befitting an awakened human culture!
