

# An Offering of The Munay-Ki Rites and The Earthkeepers Course

**“They foretell of a new human appearing on the planet – a person of wisdom and power who lives free of fear and resides in their eternal nature; accepting stewardship for all creation.**

**The prophecies of the ancient Americas speak about this time in history as a period of great transformation – a time to make an extraordinary difference in the world.”**

~ Alberto Villoldo ~

## About the Rites

**The Munay-Ki** are the nine great rites of initiation of the medicine way carried through the ages by the Laika, the Earthkeepers of old.

These Rites are common to many ancient traditions, but are expressed in different forms and styles throughout the world, so while the external form varies from culture to culture, the essence of the transmission is universal.

They are the path to becoming a person of wisdom and power who accepts stewardship for all of Creation.

**“Munay”** means “love” and **the Munay-Ki Rites** are an invitation to “be as thou art” through the power of loving yourself and all of creation. It is an invitation to better become the Being you truly are - the one who has been described, talked about and whose presence on Earth has been predicted by so many cultures.

The Rites are experienced through energetic transmissions that shift our energy field and initiate a process to heal the wounds of the past and help us to walk through the world as instruments of peace and agents of change.

We step into the realm of creators who choose to dream a new world into being.

If becoming an Earthkeeper resonates with you, please join us!

***“We are the ones we’ve been waiting for.”***

## About the Training

**The Munay-Ki training program includes:**

- transmission of the Rites
- direct instruction
- hands-on practice with other students
- meditation
- ceremony
- mentorship
- a pi stone

In addition to your own personal growth, you will learn the form of the nine Rites of Passage and how to gift them to others, taking home the skills to facilitate others to step into who they are becoming if you so choose.

**The Rites are offered in two parts:**

- 1) The Four Foundation Rites  
*and*
- 2) The Five Transformational Rites

The Transformational Rites will be offered 2 weeks after receiving the Foundation Rites, allowing you time to process and work with these transmissions.

Some individuals prefer to receive the Foundation Rites and then wait for another opportunity to receive the Transformational – it is not necessary to commit to both workshops.

The workshops are kept to a **maximum of 6 participants** to ensure adequate individualized instruction and support.
